FORWARD

Nineteen hundred & seventy eight.

Our year. It has been filled with education, dreams, growth, and decisions. We have felt victory and defeat. It has been a short year for some and a long one for others. Happiness, sadness, laughter, and tears, have all been a part of it.

The WARRENTONIAN Staff has worked hard to catch these moments, all these moments! We feel we have done a good job. But we will not know that our yearbook is really a success until many years from now when you pick up this yearbook and it reminds you of

Mrs. Glendora T. Powell

Dedication

The 1978 edition of the WARRENTONIAN is dedicated to a member of our faculty who gives unstintingly of her time and energies to the many activities and programs of John Graham Senior High School. She contributes many, many hours of her own time and devotion as director of the John Graham Sr. High Chorus.

We, the Annual Staff, with deep appreciation and pride dedicate this yearbook to Mrs. Glendora T. Powell in recognition of her untiring efforts, genuine interest, and willing helpfulness as a member of the John Graham faculty, director of the Chorus, and as a friend.

ADMINISTRATION

Mr. W.E. Terry
Principal

Principal's Message

Each year it is my privilege to write a message to the graduating class. Since I have known most of you for the past three years I want to share a number of my ideas with you for present and future considerations.

John Graham Senior High School has extended to each of you many doors to opportunity. The opportunities are innumerable and varied as to nature and kind.

Unfortunately, these doors open not to guaranteed achievements, but to opportunity only. Opportunity has been defind as a "favorable combination of circumstances." Although the school establishes and ideal environment for learning, it is necessary for you, the student, to bring many elements to the "combination of circumstances." You must bring many positive attributes including interest, enthusiasm, energy, ambition and tenacity to this "combination of circumstances" to succeed.

MEMORIAM

Let's smile and be kind-- Life is so short
And most of the way so rough
The times are trying, the road upgrade,
And always trouble enough.
Yesterday's hurts we'll try to forego--
And tomorrow's cares can wait,
Today with diligence let us keep
Our hearts from the strain of hate.

IT WAS A NIGHT TO REMEMBER

Our men dressed so grandly
As we had never seen.
Our ladies so beautiful
It was almost like a dream.

The pink and green gazebo
Where couples stopped and
gazed.
The dance floor was filled
And the music all a blaze.

The pictures caught in time
The happiness and the
laughter
It WAS a night to remember
And keep close foreverafter.
